

TecHelp

TecHelp has been doing training since 1992 and provides short term training, smog training and long term training. Ask Jon about short and long term classes.

Smog classes available to qualify for the state smog test and/or repair test:

- 68 hour Level 1 Course
- 40 hour Level 2 Course
- 16 hour 2017 Update Training Course
- 80-90 hour Bar Specified Diagnostic and Repair Training Course (alternative). (This course takes the place of the A-6 Electrical, A-8 Engine Performance and L-1 Advanced Engine Performance alternative courses)

NOTE!

(National ASE Certifications A-6, A-8 and L-1 are also accepted by the State)

Starting August 1, 2012, the Bureau of Automotive Repair has changed the technician license structure. Individuals will be able to get Test and Repair licenses, but they will have 2 new options, Test Only Technician and Repair Only Technician. Qualifying classes to take the state test vary with the new licenses depending on experience, etc. Call for details.

Jon and Sonja Brown

Jon & Sonja Brown are the new owners of TecHelp.

Jon began his automotive career working at several gas stations around the Bay Area in the mid 1980's after graduating from high school. In 1992, Jon attended Wyoming Technical Institute in Fremont to formalize his education. Upon graduating he joined American Automotive Services as a fleet mechanic for Pacific Bell / AT&T in Pleasanton CA. In 1994 Jon became an ASE Certified Master Technician along with getting his California Smog Check Technician License. In 1994 Jon joined Speedee Oil Change and Auto Service where he has spent the last 24 years refining his skills in the field as an automotive diagnostician and trainer. Jon began working for Doug at TecHelp in 2007 and became a Certified Smog Check Instructor in 2008. In 2012 Jon and Doug authored the first of three training manuals used throughout California for the recertification of Smog Check Repair Technicians.

Jon and Sonja met and married in 1999. Sonja began her automotive career as a service advisor at a woman owned garage in Oakland CA. After interning in the automotive aftermarket for several years Sonja moved onto working with several automotive dealerships. Over the past 19 years Sonja has spent time as a service advisor with Ford, Toyota, Honda and BMW. Sonja is a ASE Certified Service Advisor and is now happily back to work for Toyota. In 2017 Sonja completed her training and became a Certified Smog Check Inspector.

Together Jon and Sonja have over 50 years of experience in the automotive industry and their passion shows through when interacting with students either over the phone or in the classroom
